Education

May 2009
Utah State University, Logan, UT
Doctor of Education (GPA: 3.76)
>   Area: Higher Education, Educational Leadership
>   Dissertation: An Assessment of Utah Resident Incentives and Disincentives for Use of OpenCourseWare Resources

November 1999
University of Minnesota Carlson School, Minneapolis, MN
Master of Business Administration (GPA: 3.4)
>   Area: Information Systems

November 1998
Walden University, Minneapolis, MN
Master of Science (GPA: 3.92)
>   Area: Educational Change and Technology Innovation
>   Thesis: The Online Environment as Compared to Traditional Classroom Educational Environments

May 1992
University of Minnesota, Minneapolis, MN
Bachelor of Arts (GPA: 3.15)
>   Area: English
>   Credit hours including continuing education: 288

Certifications

Certified Six Sigma Black Belt
American Society for Quality
October 4, 2014. Certificate number 105483 (through 2020)

LEED Green Associate
Green Building Certification Institute
November 19, 2012. Certificate number 10801498 (2013 through November 2017)

Commercial Building Inspector
International Code Council (ICC)

July 21, 2012. Certificate number 8166911 (2013 through 2015)

Project Management Institute
Project Management Professional (February 24, 2003 through 2009)
ID number 13889948

Experience

6/1/2019 – 6/1/2021
Utah Valley University, Orem, UT
Faculty Senate President
- https://www.youtube.com/watch?v=W9FO0rzqFCs

7/1/2018 - present
Utah Valley University, Orem, UT
Associate Professor (rank advanced 7/1/2017) and Chair, Technology Management
- Department chair for three-year term responsible for budget, supervision, and similar duties. Also, tenured associate professor teaching and developing various classes for the department

5/20/2017-7/1/2018
Utah Valley University, Orem, UT
Interim Associate Dean for Student Affairs, College of Technology and Computing
- Oversee outreach activities, student recruitment, academic standards, undergraduate research, internships, global experience, advanced placement, and similar
Note: Personal decision to not apply for permanent position

9/2011 to 5/20/2017
Utah Valley University, Orem, UT
Assistant Professor, Technology Management
- Courses such as: Fundamentals of Technology; Introduction to Technology Management; Customer Relationship Management; Technology and Human Life; and Organizational Information Technology

8/2010 to present
Emporia State University, School of Library and Information Management, Emporia, KS
Adjunct Instructor
- Teach yearly (summer) LI844 – Database Design 2017, 2018. 2019
- Teach yearly (summer) LI815 – Information Technology 2014, 2016
- Teach yearly (summer) LI843 - Web Design 2010-2012

11/2004 to 9/2011
Utah Valley University, Orem, UT
Web Resource Director
- Manage all client-side activity on public Web site, approximately 38,000 pages maintained by approximately 200 areas/editors on campus
- Incorporate stronger marketing and design role in Internet usage

- Enhance Web site usability, accuracy, and relevance
- Write standards-based coding using XHTML, CSS, JS and similar

9/2004 to 9/2011
Utah Valley University, Orem, UT
Adjunct Instructor
- DGM 312G - Digital Media for Intercultural Communication (Spring 10, Summer 10, Fall 10, Spring 11, Summer 11)
- DGM 3220 - Digital Media Project Management (Fall 05; Spring 06; Spring 07; Fall 08; Spring 10;, Summer 10; Spring 11; Summer 11)
- ENGH 0890/0990 - Basic Composition (Fall 05; Fall 06; Spring 09; Fall 09)
- ISYS 2450 - Web Content Development (Fall 04)

12/2003 to 12/2012
University of Phoenix, Taylorsville, UT
Adjunct Instructor
- WEB 410 - Web Programming I
- WEB 420 - Web Programming II
- CMGT 410 - Project Planning and Implementation
- WEB 240 - Web Design Fundamentals

7/2003 to 1/2009
City University, Tacoma, WA
Adjunct Instructor and Content Developer for online courses
- CS350 - Web Site Design I – instruction/content development
- CS453 - Introduction to Server-Side Languages - instruction
- CS544 - Intermediate Web Publishing – instruction/content development
- CS452 - Practical Web Design – learning evaluator

1/2003 to 11/2004
Utah Valley University, Orem, UT
Distance Education Resource Manager/Instructional Designer
- Manager of the distance education development team including seven part-time developers, one graphic designer, and one closed captioning technician
- Work with instructors to design and develop course content
- Reason for leaving: Stayed with institution but to a promoted position

10/2002 to 1/2003
Sylvan Online Higher Education/Walden, Minneapolis, MN
Senior Web Producer
- Responsible for assessing project proposals, establishing specifications, project managing, and ensuring success of large projects affecting processes throughout the University
- Web and application programming
- Communication with all affected parties in programming projects, including ensuring timely delivery of results and continuing value in the outcome
- Reason for leaving: dissatisfaction with decisions made after merger

11/2000 to 10/2002
Walden University**,** Minneapolis, MN
Director of Web and Application Development
- Provide vision, oversee planning, and guide implementation of web-based and database-driven technology, both in support of academic needs and as a means of enhancing institution's management and operations
- Primary producer of new web-based projects and innovations which make use of Dreamweaver, CGI Perl, JavaScript, Lotus Notes, and Cold Fusion database
- Primary producer and developer on new Web-based projects and innovations
- Manage five full time employees
- Set priorities on projects competing for limited bandwidth by working with the employees in the Web and Applications area, management, and requesting staff.
- Reason for leaving: Remained with company. All middle management remove or re-assigned after Sylvan Learning merger

5/1999 to 11/2000
Smyth Companies**,** Minneapolis, MN
Web Team Manager
- Provide leadership in the planning, development and management of Smyth Companies website
- Evaluate and analyze for effectiveness the continually evolving site
- Development and incorporation of e-commerce capabilities in cooperation with Director of Information Technology
- Develop Web team consisting of approximately 15 members from throughout the company
- Offer training to clients on use of the e-commerce system
- Reason for leaving: Invited back by previous employer to higher level position

11/1997 to 5/1999
Walden University**,** Minneapolis, MN
Manager of Web Development and User Services
- Work with faculty, students, administrators and staff to develop information technology services to achieve the best possible service within allocated resources
- Continue development of Walden website
- Develop and implement first online classroom environment using bulletin boards, mailing lists and the like on Apache
- Support students and faculty in their growing understanding of the Internet and its capabilities by offering advanced level user service support, managing help desk staff, and offering short training seminars during residencies throughout the United States

- Develop a web team consisting of approximately 10 staff members from throughout the organization to assist in assessment, content development, and page development for the continually evolving and growing web site
- Reason for leaving: Opportunity for higher pay and experience in another industry

4/1994 to 11/1997
Walden University, Minneapolis, MN
Microcomputer Support Specialist
- Provide help line support for all Walden audiences via phone and email
- On-site hardware repair
- On-site training
- Manage three part-time workers
- Implement and supervise integration of technical resources into academic, operational, and administrative functions
- Enhance productivity and service through technology and training
- Develop Walden's original financial aid database
- Develop Walden's original Web site

4/1994 to 6/1995
University of Minnesota Department of Medicine, Minneapolis, MN
Consultant for Database Integration
- Continue to develop and offer troubleshooting support for custom-built database used for accounting administration and institutional research

12/1989 to 4/1994
University of Minnesota Department of Medicine, Minneapolis, MN
Accounts Specialist and Computer Support
- Manage departmental accounts for four divisions within graduate education and administration
- Create all accounting documents and reports
- Balance and reconciliation of accounts
- Create Paradox for Dos, Paradox for Windows, and later MS Access database that interacts directly with the university CUFS/AIS mainframe system
- Create real-time reporting of account statuses, customized reporting, and customized query building of multiple accounts
- Maintain 20 user medicine administration Novell 3.11 network including maintenance and installation of workstations and software
- Reason for leaving: Invited to programming position at another company with growth opportunities and higher pay

- Teaching with Technology Idea Exchange. "Web Standards – What They Are and Why Educators Should Care About Them." Utah Valley State College. Technology Enhanced Teaching Center. Orem, UT. June 2006
- Office Professionals Conference. "Work 24/7 without Even Being There: Using the Web to Answer Questions and Share Content." Utah Valley State College. Orem, UT. April 2006
- Teaching with Technology Idea Exchange "A Comparison of Online Classroom Environments." Utah Valley State College. Technology Enhanced Teaching Center. June 2005. Orem, UT
- Utah Library Association. "Changing the way We Communicate: Marketing for Academic Libraries" The Times They Are a Changin'. May 2005. Ogden, UT

Grants and Funding

Project Title: Developing and Disseminating Methods for Mitigating Tsunami Risk in Indonesia through Planning and Construction Guidelines
Funding source: UVU Grants for Engaged Learning
Received 2016: $8,500
Cooperative student project: Khaliun (Holly) Amarjargal and Rubi Hernandez-Turner

Attend, by invitation, Council on Undergraduate Research "Undergraduate Research Conference on "Integrating Undergraduate Research in the curriculum 2015"" conference funded via UVU Faculty Center. April 2015.

Project Title: Implement Epicenter University Innovation Fellows at UVU
Funding source: UVU Grants for Engaged Learning
Received: October 2014 - $2000
Cooperative student project: Tanner Wheadon (Lead)

Project Title: This is Math?"
Scavenger hunt in cooperation with Westridge Elementary School for fall 2014
Funding source: UVU Grants for Engaged Learning (second author; Lead Colleen Bye)
Received: September 2014 - $1000

Project Title: Professional Development Grant for Lean and Six Sigma Conference

Funding Source: UVU Senate Faculty Development Committee (FDC)
Received: 2014 - $600

Project Title: Service Learning Designation for Technology Management
Funding Source: UVU Service Learning
Years: 2011-12, 2012-13, 2013-2014
Funding: $1800 2011-2012, $1200 2012-13, $1200 2013-14

Project Title: University Project funds for "This is Math?" scavenger hunt in cooperation with Westridge Elementary School for fall 2013
Funding Source: UVU University Project
Year: 2013 - $772

Committee Work

Community:
Microsoft Dynamics Academic Alliance (DynAA) Advisory Council April 2015-2017 (vice-chair 6/2015 to 12/2016)
Emporia University School of Library and Information Management Utah Advisory Council 2013-2016
Campus Compact Continuums of Service Advisory Committee 2014-2015
Higher Education Teaching and Learning Conference Committee 2014-2015
